1. 다음을 듣고, 여자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

W: Good afternoon, students of Robinson High School. This is your principal. I have an important announcement for all of you. Due to major construction, we are planning to close the school cafeteria. This construction is necessary because the cafeteria requires significant upgrades to meet safety standards and make enough space for our growing student population. You won't be able to use the cafeteria for a month, starting this Saturday. We understand this closure will impact your lunchtime routine. So we've made careful plans to minimize your inconvenience. Please check our school website for updates and more details about the closure. Thank you for your understanding.

2. 대화를 듣고, 남자의 의견으로 가장 적절한 것을 고르시오.

M: Sarah, you look frustrated. What's wrong?  
W: Mr. Johnson, I studied a lot for the history test. I read the textbook many times, but I still got a low score.  
M: I see. Have you tried making your own questions while studying?  
W: No, I haven't. Does it help?  
M: Oh, yes. Making questions yourself really helps learning.  
W: I thought it would be better to read more about the parts that I don't know well.  
M: Actually, creating questions helps you find what you don't understand yet. That way, you can check what you don't know.  
W: I didn't think about that.  
M: Plus, by doing so, you think carefully about what you read. It helps you learn the content better.  
W: That really makes sense.  
M: That's why it's helpful to make questions for yourself.  
W: Okay. I'll try that next time.

3. 다음을 듣고, 여자가 하는 말의 요지로 가장 적절한 것을 고르시오.

W: Good evening, listeners! I'm Danielle from Daily Health Tips. Do you spend long hours sitting in front of a computer at work? Today, I'm going to talk about why it's necessary to give your eyes regular rests from the computer screen. Looking at a screen for too long can cause dry eyes, unclear vision, and headaches. These symptoms make it hard to concentrate and be productive. Giving your eyes regular rests allows them to relax and recover. This then reduces any vision problems or physical discomfort and improves work efficiency. Next time you find yourself looking at a computer screen for a long time, remember to take a rest for your eyes!

4. 대화를 듣고, 그림에서 대화의 내용과 일치하지 않는 것을 고르시오.

M: Ms. Williams, I heard you're decorating the new staff wellness room. How's it going?

W: It's almost done, Mr. Thompson. Here's a picture.

M: Let me see. *[Pause]* Wow! There's an exercise bike in the room.

W: Right. I thought using this exercise bike would help improve our health.

M: What's that stripe-patterned mat on the floor?

W: Oh, that's for people who want to stretch or do yoga. Do you see the round mirror on the wall?

M: Yes. We can use it to check our posture.

W: Exactly! What do you think about these two massage chairs?

M: They look so comfortable.

W: They are. People can use them to relax after a long day.

M: Great. I also love the flower vase on the table.

W: I thought seasonal flowers would lift everyone's mood.

M: I can't wait to use the room!

5. 대화를 듣고, 남자가 할 일로 가장 적절한 것을 고르시오.

W: Mr. Kim, the freshman orientation is tomorrow morning. It's almost here.

M: Yes. I hope everything goes well. Let's go over what we prepared one last time.

W: Okay. I finished arranging the chairs for the new students.

M: Great. I've already put up the welcome posters in the auditorium.

W: Perfect. Did you print the handouts?

M: Yes, I did. I printed them this morning.

W: Then most things seem ready.

M: Actually, when I tested the microphone in the auditorium, it didn't work properly.

W: That could be a serious problem during the orientation.

M: Don't worry. I'll replace it. We have another microphone.

W: Thanks. I'll make sure the auditorium is clean while you do that.

6. 대화를 듣고, 남자가 지불할 금액을 고르시오.

W: Welcome to Jenny's Flowers. How can I help you?

M: Hi. I'd like to buy something special for my wife's birthday. Can you recommend anything?

W: How about these baskets of fresh flowers? We have two sizes.

M: They look lovely. How much are they?

W: The small one is \$30, and the large one is \$50.

M: Hmm, I think the bigger one looks better. I'll take one large basket.

W: Great choice. You can add these teddy bears to the basket as well. They only cost \$5 each.

M: They're cute. I'd like to add two of them.

W: Okay. So, that's one large flower basket with two teddy bears, right?

M: Yes. And can I use this coupon for a discount?

W: Sure. You can get 10% off the total price.

M: That's great. Here's my credit card.

7. 대화를 듣고, 여자가 Sun Beach Cleanup Event에 가지 않은 이유를 고르시오.

M: Julia, you didn't show up at the Sun Beach Cleanup Event last Saturday.

W: Yeah, I felt bad about missing it.

M: I thought maybe you weren't feeling well. I heard you had a cold last week.

W: I did, but I was fine on Saturday.

M: Then did you have a meeting for your group project?

W: No, that was actually on Friday, and we finished everything.

M: Oh, I remember! You mentioned you had a club interview. Did that run late?

W: It was postponed, so that wasn't the reason, either.

M: Then what kept you from coming?

W: My uncle visited that day. I had lunch with him because it had been a long time since I'd seen him.

M: Ah, that explains why you couldn't make it.

8. 대화를 듣고, Stonefield Drawing Picnic에 관해 언급되지 않은 것을 고르시오.

W: Hey, Dave! What are you doing?

M: Hi, Emma. My art club is hosting the Stonefield Drawing Picnic, so I'm putting up posters.

W: Drawing Picnic? Sounds interesting. Let me take a look.

M: It's at Stonefield Park. We'll gather there, have a picnic, and draw together. You should come.

W: Oh, Stonefield Park is close to my house! And I see it's on October 22nd.

M: Yeah, that's right. Are you free that day?

W: I don't have any plans yet. But it says there's a participation fee.

M: Yes, it's just \$5. And everyone will receive a souvenir just for joining.

W: A souvenir? What is it?

M: An art supply set for drawing. We'll have so much fun. I promise!

W: Sounds great. I'll definitely come.

9. 2026 Future Innovation Expo에 관한 다음 내용을 듣고, 일치하지 않는 것을 고르시오.

M: Hello, I'm Mike, manager of the Westbridge Convention Hall. We are excited to announce that we are hosting the 2026 Future Innovation Expo. It'll be held from October 3rd to 5th. This year's theme is future transportation. For just \$20, you can check out the latest and greatest vehicle technology from top global brands. At 11 a.m. on the first day, Dr. Jihun Lee will deliver a lecture about green mobility. It'll be a great chance to see the future of eco-friendly vehicles. And here's the real highlight. You can take a ride in a self-driving car. Because Expo tickets are limited, you'd better get yours early. Tickets are available online only. For more information, please visit our website. Thank you.

10. 다음 표를 보면서 대화를 듣고, 남자가 주문할 컴퓨터 마우스를 고르시오.

M: Mia, I'm looking online at some of the best-selling computer mouse models. Could you help me choose one?

W: Sure. Let's look at them together. What's your budget?

M: I'd like to stay under \$40.

W: Okay, then anything above that is out. Now, which color do you prefer?

M: Anything but white. It gets dirty easily. And I'm not sure about the connection type.

W: Most people find wireless more convenient.

M: Then I'll go with wireless. It looks like we have two options left.

W: I'd recommend the one with a silent click. Loud clicking can be distracting.

M: I agree. A silent click is better.

W: In that case, there's only one model that meets your needs.

M: Great. I'll order that one.

11. 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

W: Hey, Max. You go camping often, right?

M: What's up, Jamie? Yeah, I camp every weekend with my family. Why do you ask?

W: I've been thinking about trying it. It looks fun.

M: That's wonderful!

W: Yes, but I feel overwhelmed because there's so much camping equipment to buy.

M: I understand. I thought I needed so much at first, too. But you don't need everything to get started.

W: Really?

M: Yes. You can start by buying only a few important items and see how it goes. You can buy the rest later if you really need it.

W: That sounds doable. But still, camping equipment is expensive. What if I buy some things and find out camping isn't for me?

M: Well, if you're not sure, why don't you go camping with someone who already has equipment?

W: \_\_\_\_\_

14. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Jason, I heard you're in charge of giving the presentation at tomorrow's meeting.

M: Yeah, that's right. I've been working on it all week.

W: How are things going with it?

M: Pretty well. I've finished all the presentation slides.

W: That's good. Did you check the data and charts?

M: Yes, I went over all the numbers this morning to make sure they were correct.

W: Sounds like you're almost ready, then.

M: I thought so, but there's one thing I'm worried about.

W: Oh, really? Is there something wrong?

M: The printer in my office suddenly stopped working, so I can't print the presentation handouts at the moment.

W: I can do it for you in my office, if you want.

M: \_\_\_\_\_

To collect the videos, Chloe proposes creating a shared folder online like last year so everyone can upload freely. However, Ethan remembers that they had problems last year because some people used the videos without permission. He'd like to avoid that. So, Ethan wants to suggest to Chloe that they use their emails to collect students' videos. In this situation, what would Ethan most likely say to Chloe?

[16~17] 다음을 듣고, 물음에 답하십시오.

M: Good morning, students. Last week, we briefly learned about the effect of colors on people's mood. Today, we're going to look at the ways they influence athletes' performance in sports. First, red can raise an athlete's energy and push them to act more boldly during play. It often increases physical effort, which may help in fast or aggressive sports. Second, to help athletes stay calm under pressure in close games, blue is useful. It also supports clear thinking, which can lead to better choices in games. Third, green gives a sense of balance and encourages a steady pace. This color can reduce stress as well, which helps athletes stay relaxed during long events. Finally, power and strong presence are linked to black. It may help athletes feel more confident when they compete. Now, let's see some examples from around the world showing how sports teams use them to benefit their athletes.
